OFFER OF INTERNSHIP

Dear **Ayush Singh**,

Following your recent interview, we are delighted to offer you an internship position as a **Artificial Intelligence & Machine Learning** at Cognevance Technologies. We were highly impressed by your skills and enthusiasm, and we believe you will be a valuable addition to our team.

Your internship is scheduled to commence on **11-09-2026** and will conclude on **11-01-2027**. During this **4 Months** period, you will be expected to dedicate your time and effort to learning our development workflows and contributing to active live projects under the mentorship of our senior engineers.

This internship program is designed to provide you with hands-on experience in a professional corporate environment. As an intern, you will participate in active product development, engage in daily standups, and collaborate with cross-functional teams to design, test, and deploy software solutions. Upon successful completion of the program and a final performance review, you will be awarded an official certificate of completion and a letter of recommendation.

To accept this offer, please sign and return the enclosed copy of this letter prior to your joining date, confirming your acceptance of the terms of this internship. We look forward to welcoming you to the Cognevance Technologies family and wish you a highly successful and rewarding learning experience.

Best Regards,

Rohit Verma
